

# MASTER SERVICES AGREEMENT

## SERVICE DESCRIPTION

### SERVICE DESCRIPTION: BUSINESS ENHANCED SERVICE CENTRE

#### DESCRIPTION

One New Zealand's Support & Service Management are the services we provide to support the products and services you consume.

Our Business Enhanced Service Centre provides you with a service centre function available 24/7 to raise and manage incidents received by your helpdesk or equivalent.

Aligned to the Infrastructure Technology Information Library methodology (ITIL) service management practices. This is how One New Zealand's teams manage the end-to-end delivery to you, including the processes and activities for operation and support.

#### OPTIONS, INCLUSIONS, AND ADD-ONS

Inclusions	
Component	Description
<b>Raise Incidents 24x7</b>	Answering calls from your helpdesk or equivalent in order to gather the required information to log Incidents.
<b>Desk to Desk Relationship</b>	This service is designed to engage with your helpdesk or equivalent.
<b>End-User to Desk Relationship (Basic Mobile Support)</b>	This service is designed for your end-users to engage with for basic mobile support. Requests that have financial impact or release of information will be referred back to your helpdesk or equivalent to request.
<b>Shared TollFree Number</b>	A TollFree number will be provided to you during the initial onboarding of your services for your helpdesk or equivalent to call in order to engage our Service Centre.
<b>Case Management</b>	Specific resources to manage tracking and escalations of incidents either raised by your helpdesk or equivalent or through management of incident service levels
<b>Priority Incident Communication</b>	Specific resources to provide timely and regular incident communication for critical Priority Incidents to your nominated key stakeholders.
<b>Post Incident Reporting (on request)</b>	Providing a post-incident report upon Priority Incident restoration and conducting a formal review. The formal review will summarise the fault, workaround and any restoration activities
Options	
<b>Service Request Management</b>	A support function available during business hours to process service requests received by your helpdesk or equivalent for One New Zealand products and services.
<b>Change Management</b>	A support function working during business hours to manage the internal change process for our Core Network and Platforms.
<b>Assisted Change Management</b>	A shared support function available during business hours to manage the change process for our Core Network and Platforms, along with changes to One New Zealand products and services used by you.
<b>Problem Management</b>	A support function working during business hours to manage the internal problem process for our Core Network and Platforms.

# MASTER SERVICES AGREEMENT

## SERVICE DESCRIPTION

<b>Financial Management (Billing)</b>	A service providing standard monthly billing to you for One New Zealand products and services, along with management of billing queries raised by you for One New Zealand products and services.
<b>Financial Management (Billing) – Consolidated Reporting Add-on</b>	A shared support function available during business hours to provide customised billing reporting and manage billing queries raised by you for One New Zealand products and services.
<b>Add-ons</b>	
<b>Service Incident Management</b>	A shared service to manage Priority 1 incidents and escalations.
<b>Service Delivery Management</b>	A designated Service Delivery Manager aligned to your customer account to manage and facilitate operational excellence.
<b>Service Delivery Consultant</b>	A designated Service Delivery Consultant aligned to your customer account to manage and facilitate operational support.
<b>On-Site Concierge</b>	A designated On-site Concierge aligned to your customer account to manage and facilitate your Mobile Services.

### FAULT MANAGEMENT

Faults will be assigned a priority rating depending on the impact that the fault is having on the Services. We will determine that priority rating in consultation with you.

Fault Management			
PRIORITY	DEFINITION	RESOLUTION TIME	PROGRESS REPORTS
1. Critical Impact	A catastrophic fault, where a minimum of 50% of Users at a particular site cannot use a particular Service.	4 hours during Service Hours (or 8 hours during Service Hours where fault is assigned to a third party network operator for resolution). If a site visit is required: <b>Metro Sites:</b> 4 hours during Service Hours or 8 hours during Service Hours where the fault is assigned to a third party network operator for resolution. <b>Regional Sites:</b> 80% within 8 hours, 90% within 16 hours. <b>Other NZ Sites:</b> 80% within 12 hours, 90% within 24 hours. <b>Note:</b> The above percentages refer to the percentage of P1 faults, which are resolved within the Resolution Time.	At 1 hour intervals during Service Hours following our initial response.
2. Major Impact	Up to 50% of Users at a particular site cannot use a particular Service.	8 hours during Service Hours (or 16 hours during Service Hours where fault is assigned to a third party network operator for resolution). If a site visit is required: <b>Metro Sites:</b> 8 hours during Service Hours or 16 hours during Service Hours where the fault is assigned to a third party network operator for resolution. <b>Regional Sites:</b> 80% within 8 hours, 90% within 16 hours. <b>Other NZ Sites:</b> 80% within 12 hours, 90% within 24 hours.	At 2 hourly intervals during Service Hours following our initial response.

# MASTER SERVICES AGREEMENT

## SERVICE DESCRIPTION

		<b>Note:</b> The above percentages refer to the percentage of P2 faults, which are resolved within the Resolution Time.	
3. Minor Impact	Repeated quality problems. Intermittent faults or degraded service. No major service impact.	5 Business Days	At 8 hourly intervals during Service Hours following our initial response.
