## STANDARD

On Standard Roaming you pay one rate to call numbers within the country you are roaming in, and one rate to call anywhere else in the world.

These rates are the same no matter what network you are connected to in that country.

The rates apply to calls to both mobiles and landlines.

Data availability and rates vary according to the country.

## TRAVELLER

With Traveller, you pay your Standard Home Rate plus the zone rate for your destination.

The 'Standard Home Rate' is the per minute out of bundle rate you pay for calls made in New Zealand.

Example of Traveller pricing:

1. In Australia (Zone 1) you only pay your standard home rate - there's no zone rate for Zone 1.
2. In the UK (Zone 2) you pay your standard home rate + \$2.30 per minute
3. In China (Zone 3) you pay your standard home rate + \$3.45 per minute
4. In Brazil (Zone 4) you pay your standard home rate + \$5.75 per minute
