# TollFree Plus International Inbound Rates Card

one.nz

## Important things to know

- TollFree Plus cannot terminate to international numbers except Australia. This rate card is for **inbound** calls, and only if the originating carrier allows the call to proceed.
- If the inbound call is made from an international roaming number, roaming charges remain the responsibility of the caller.
- For call originating from overseas, international rates will apply as per this rate card.
- The originating carrier may or may not allow and charge the caller for international calls to NZ Toll Free numbers.
- All calls are charged 1 minute minimum, per second thereafter
- Charges are exclusive of GST
- The rating engine is designed to rate to 4 DP, but we charge at 2DP, so we round up or down based on the 3rd decimal place. 0-4 gets rounded down and 5-9 gets rounded up.
